Dear Mr. McDuffy,

This is in reply to your request for compound authorization received on December 01, 1997 for your product STARPOWER.

This product is acceptable as a floor and wall cleaner for use in official establishments operating under the Federal meat, poultry, shell egg grading, and egg products inspection programs.

Before using this compound, food products and packaging materials must be removed from the room or carefully protected. After using this compound, surfaces must be thoroughly rinsed with potable water.

Acceptance of compounds by this Department is in no way to be construed as an endorsement of the compounds or of any claims made for them.

If any change is made in the labeling information or formulation, the authorization for use in official plants becomes void immediately.

Sincerely,

John M. Damaré, Chief
Compounds and Packaging Review Branch
Labeling and Compounds Review Division
